
Non-NHS FEES

We do not charge fees for general treatment for any NHS patients registered with us, but there are certain items that we have to charge for if you need them. In many cases you will be able to obtain a refund of our charges from your employer or Health Insurance Company.

<p>Access to Medical Records If you need a copy of medical information held by us we charge a minimum fee as shown. In some cases there may be an additional charge for copying.</p>	£12.50
<p>Sickness Certificate If your employer has asked you for a certificate confirming you were sick during the period normally covered by Self Certification. An appointment will be needed.</p>	£15.00
<p>Fitness Certificate Payable if you need medical confirmation of your fitness to attend, fitness to drive, fitness to travel etc. This will require an appointment at surgery.</p>	£40.00
<p>Private Medical Insurance Claim If you need us to help complete a Private Health Insurance claim on your behalf.</p>	£25.00
<p>Private Medical Examination & Report Certain professions, for example PSV license holders, or if you are being considered as a foster parent may demand a full examination and report. Patients registered with us will receive a discount of £20 on this fee</p>	£105.00
<p>OFSTEAD Health Declaration Required for registered childminders.</p>	£84.00
<p>Private Consultation at Victoria Practice This fee will only apply if you are not eligible for treatment under the NHS or if the particular treatment you are seeking is not provided by the NHS. Appointments are 10 minutes duration.</p>	£40.00
